Our Core Competencies

Ajon's Professional Solutions is a leading provider of results-driven, future-focused business development and marketing services. Our team is dedicated to delivering measurable results and driving businesses forward through marketing, business training and consulting.

How can we help?

- Business consulting
- Business training and coaching
- Marketing strategy sessions
- Graphic design & Social media management
- Website Design
- Virtual reality for business
- Custom project-based work

Differentiators:

- ✓ We provide a comprehensive approach to business development and marketing that includes consulting, training, strategy sessions, and implementation.
- ✓ Customization: We offer custom project-based work that is tailored to the unique needs and goals of each client.
- ✓ Our team of graphic designers and web developers create visually appealing and user-friendly designs that enhance our clients' brand identity
- ✓ We make using tech for small businesses easy, ensuring our clients can leverage the latest tools and technologies to grow their businesses.
- ✓ We are passionate about providing access to resources and information to help start and grow businesses for first-generation entrepreneurs in rural communities.

Past Performance

City of Wilson + Google

Scope of Work:
 Provided Grow with Google training and one-on-one sessions to small business owners across the state of North Carolina

City of Rocky Mount Downtown Development

Scope of Work:
 Tasked with planning, coordination and hosting of a Capital Symposium for small business owners at the Rocky Mount Event Center with 30+vendors and 100+attendees.

Small Business Center at Edgecombe Community College

Scope of Work:
 Developed and instructed an eight week entrepreneurship program (S.O.A.R) specific to first generation entrepreneurs in rural communities interested in starting a business.

Rocky Mount Area Chamber of Commerce

Scope of Work:
 Created flyer, social media graphics and landing page website for 2021 MED Week.
